

NAHEENO PARK COMMUNITY GARDEN GENERAL INFORMATION

INTRODUCTION

Beginning February 2016, the SFU Community Association was granted the license to operate, maintain and manage the Naheeno Park Community Garden. The garden is located at the north end of Naheeno Park, 8888 University Drive, Burnaby, BC, though correspondence should be directed to the SFU Community Trust offices at 130-8960 University High Street, Burnaby, BC, V5A 4Y6 as the Trust is assisting the SFU Community Association's Garden Committee with administration duties.

HOURS OF OPERATION

The Garden is open from dawn until dusk, seven days a week and is open to all UniverCity residents, students, staff and faculty of SFU.

MEMBERSHIP AND WAITLISTS

Membership is open to anyone 18 years of age and older. Often, there are more applicants than available plots (94). The SFU Community Association keeps a waitlist of people who have applied for plots, and as plots become available, SFU Community Trust will advise applicants accordingly.

Please note: new plots are assigned on a first-come, first-serve basis with priority given to UniverCity residents first (proof of residence required), with SFU students and faculty next, and the general public thereafter.

To add yourself to the waitlist, please email communitygarden@UniverCity.ca

You will receive an email notification when your application has been received.
